## Dear Principals,

It gives me immense pleasure to inform you that the Internal Quality Assurance Cell (IQAC), in association with Planning Monitoring and Evaluation Board (PMEB) and College Development Council (CDC) of University of Mysore, Mysuru under National Quality Renaissance Initiative (NQRI) of NAAC is organizing a Two-Day NAAC Awareness Workshop on **ASSESSMENT and ACCREDITATION**, 24-25 August 2015 for **non-accredited/non-reaccredited** affiliated Colleges of University of Mysore.

In an attempt to promote and popularize quality assurance and stimulate the academic environment for promotion of quality in teaching-learning and research in Higher Education Institutions (HEIs) and to encourage self-evaluation, accountability, autonomy, best practices and innovations in higher education institutions NAAC has undertaken a number of initiatives. Under the NQRI, NAAC has been helping HEI's in the quality assurance process to have positive impetus in raising the quality of HEIs in India. The focus of this workshop will be to popularize and promote quality assurance in higher education. As you are aware, failure to get NAAC accreditation may lead to discontinuation of financial assistance by the UGC to such Universities/Colleges/Institutions.

In view of the above, the IQAC of University of Mysore has taken the initiative to conduct a **Two-Day NAAC awareness workshop** for non-accredited colleges affiliated to this University.

## OUR UNIVERSITY

Came into existence on 27th July 1916, the University of Mysore is one of the oldest Universities in India, and is celebrating its centenary this year. It is the sixth University in the country and the very first in the erstwhile princely state of Mysore. Sri Krishnaraja Wodeyar-IV, the benevolent ruler of Mysore and Sir M. Visvesvaraya, Engineer-Statesman, the then Dewan of Mysore were the pioneers in establishing this University.

Soon after the first NAAC assessment and accreditation, the IQAC was established in the University in 2001. The IQAC was established following the guidelines of the UGC and the NAAC, and with a view to monitor, improve and ensure quality of the entire academic and administrative programmes of the University. The IQAC has evolved appropriate mechanism and procedure to ensure efficient, effective and progressive performance of academic and administrative tasks; ensuring relevance and quality of the academic programmes; maximizing teaching, learning, research, extension and consultancy opportunities; credibility of evaluation procedures, adequacy and maintenance of support structure and services.
